**Food Service Operations in State Buildings**

Both federal and state law give first priority to qualified, legally blind persons for the opportunity to operate food facilities in publicly-owned buildings. The Vending Facility Program is a federal program that is funded entirely by revenues received from vending machines in state and federal buildings (\$900,000 annually). The Business Enterprise Program (BEP) trains and licenses legally blind people to manage snack/gift shops, espresso stands, and food service facilities in government buildings. BEP provides ongoing management assistance and essential food service equipment, and establishes new facilities as opportunities arise. (Business Enterprises Revolving Account-Nonappropriated)

**Independent Living**

The Independent Living Program teaches recently blinded Washingtonians how to continue living in their homes after vision loss. Assigned to designated counties, contractors visit individuals' homes to provide low-cost devices and instruction in blindness techniques, including how to care for self and home, walking with the use of a cane, and how to continue to read and write. While 80,000 people are potentially eligible for these services, the program currently serves 1,200 individuals, most of them who are age 70 and over. (General Fund-State, General Fund-Federal)
